FINANCE AND RESOURCES

DISTRICT STRUCTURE AND DEVELOPMENT

2020

2017

- Improved support to adult volunteers using quality managers in the correct roles
- Improved recruitment from parent groups
- Minimum 4 adults per section
- Youth Commissioner in post encouraging youth forum at all levels
- Effective training for leaders and good level of retention
- Implement Buddy/Mentor system
- Implement succession planning

- Adult volunteers in the correct role
- Sufficient leaders to allow a full and active programme
- Buddy/Mentor system fully implemented
- Active youth forum in each section
- Maintain effective training with on-going learning
- Succession plan in place

NOW

- District Team led by DC and supported by District Executive
- District structure as set out by POR
- Training for leaders through national programme
- Overall shortage of adult leaders
- Not all adults in correct role
- Young District Commissioners aim to provide 'youth shaped' approach

- Provision of activities for young people and opportunities they may not otherwise have
- Scout Community Week and some Christmas community events
- Impact on young people
- Participate at Remembrance Day events
- Highly recognised brand and 90% know that we exist but not what we do
- Insufficient understanding that girls are welcome in Scouting

NOW

- Every Group to have at least one impact project per year
- Local MP and local councillor to visit one impact project per year
- Groups have impact in their local communities
- Increased awareness of modern image of Scouting within the local community
- Working with other community organisations

- Every Group to continue to have at least one impact project per year
- Local MP and local councillor to visit one impact project per year
- Groups have impact in their local community
- High awareness of modern image of Scouting within the local community
- Work with other community organisations to lead large scale community event
